Ministry of National Education and Scientific Research

University of Bucharest,

Faculty of Mathematics and Computer Science

Bachelor Degree in Mathematics

Study program: Mathematics and Computer Science

TRANSCRIPT OF RECORDS

Grades obtained in scholar time by: **COBELI C.I. STEFAN-MATEI**

Date and birth place: November 16th 1994, Rochester, U.S.A.

First and middle names of parents: Father: Cristian-Ioan, Mother: Elena-Nadia

Personal numeric code: 194 1116 330 821.

TRANSCRIPT OF RECORDS ON PROMOTED YEARS:

First year 2013-2014

No.	Subject of study	First Semester Grades	Second Semester Grades	First Semester ECTS	Second Semester ECTS
1.	Algebra	9	10	7	7
2.	Calculus	8	9	7	7
3.	Geometry	9	10	7	7
4.	Mathematical logic and set theory	10	-	5	-
5.	Procedural programming	9	-	4	-
6.	Algorithms and data structures	-	9	-	4
7.	Algorithmic graph theory	-	10	-	5
8.	English	-	9	-	3
Total number of ECTS on first year: 63				30	33

Promoted, with GPA 9.27 of 10.

Second year 2014-2015

No.	Subject of study	First Semester Grades	Second Semester Grades	First Semester ECTS	Second Semester ECTS
1.	Algebra	9	9	4	4
2.	Measure theory	10	-	4	-
3.	Differential geometry	10	5	4	4
4.	Differential equations	5	-	5	-
5.	Computer architecture	9	-	4	-
6.	Operating systems	6	-	5	-
7.	Object oriented programming	-	8	-	4
8.	Complex analysis	-	9	-	4
9.	Probabilities	-	6	-	4
10.	Formal languages and automata theory	-	10	-	4
11.	Databases	-	6	-	4
12.	Mechanics	-	6	-	4
13.	Practice	-	Approved	-	2
14.	English	-	10	-	3
Total number of ECTS on second year: 63				26	37

Promoted, with GPA 7.86 of 10.

Note: The time study period at the Faculty of Mathematics and Computer Science on bachelor degree lasts for 6 (six) semesters.

The granted grades are between 1 and 10 and the minimum pass grade is 5 (five). For the bachelor degree exam the minimum pass grade is 6 (six).

Faculty of Mathematics and Computer Science

Certificate

The purpose of this Certificate is to certify that mister **Cobeli C.I. Ștefan-Matei** (student number 8/2015/Vol.I) student at the Faculty of Mathematics and Computer Science in the third year (academic year 2015-2016), bachelor degree in Mathematics with specialization on Mathematics and Computer Science sustained and passed the following exams:

- Number Theory (5th semester) - 10(ten) - 4 ECTS;
- Functional Analysis (5th semester) - 6(six) - 4 ECTS;
- Partial differential equations (5th semester) - 8(eight) - 4 ECTS;
- Linear optimization (5th semester) - 7(seven) - 3 ECTS;
- Design and analysis of algorithms (5th semester) - 6(six) - 3 ECTS;
- Calculability and complexity (5th semester) - 9(nine) - 3 ECTS;
- Statistics (5th semester) - 8(eight) - 4 ECTS;
- Cryptography and coding theory (5th semester) - 10(ten) - 3 ECTS;
- Practice (5th semester) - Approved - 2 ECTS;

Note: The time study period at the Faculty of Mathematics and Computer Science on bachelor degree lasts for 6 (six) semesters.

The granted grades are between 1 and 10 and the minimum pass grade is 5 (five). For the bachelor degree exam the minimum pass grade is 6 (six).

This certificate is an annex to the transcript of records with No.757/31/05.2016 ;
This certificate was released on the student demand.

Dean,
Dr. Radu Gramatovici

Chief Secretary,
Evelina Coteneanu
